You have the nonexclusive right to use this program. You may use it on one computer at a time. You may not transfer the program from one computer to another over a network. You may make one copy of the program disk for backup purposes. This backup disk must include the copyright notice. You may transfer this program onto a single hard disk so long as you can prove ownership of the original diskette.

This program, its look, feel, and its related documentation are copyrighted. You may not distribute copies of the program or documentation to others. You may not reverse engineer, decompile, or disassemble the program. You may not modify or translate the program or documentation without the written consent of Access Software, Inc.

By breaking this seal, you accept the terms of this
Software License Agreement.

If you do not agree with these terms, please return the
software envelope immediately, along with the rest of
the package contents, unopened to your place of
purchase.
